Rep row 3 for the remainder of your project. You can follow your own stripe design or you can use mine. I used the following color pattern:

20 rows color A

10 rows color B

10 rows color A

5 rows color B

3 rows color A

2 rows color B

3 rows color A

5 rows color B

10 rows color A

10 rows color B

20 rows color A

2nd to last row: ch 1 & turn. sc in ea st.

Last row: ch 1 & turn. sc in ea st.

Sew in ends to complete your work.

**Pattern Notes:** For a thicker scarf, adjust number of chains in multiples of 10 + 2.  
Crochet as many rows as needed for desired length.

Super simple! Chevron is an easy design to do in crochet and I absolutely love it! I can't wait to create more projects...
