

Bobble Chart

Instructions

*Designed by: Kari Philpott
Kuddly Kreations by Kari*

These charts were designed with the intent to combine them with other charts and put them together to make a blanket, or any other item of your choice.

Materials:

Worsted weight yarn in color(s) of choice

H-hook, or hook of choice

Chart(s) of choice

Stitches Used:

Single crochet

Bobble stitch-- work 4dc in same st, leaving 5 loops on the hook by omitting the last step in each dc (pulling yarn through last two loops). Yarn over and draw yarn through all 5 loops. Essentially you are doing a 4 dc decrease in the same stitch.

Notes:

- You will initially chain 30.
- Each square is one stitch.
- The colored squares will be done in the bobble stitch.
- The white squares will be done in single crochet.
- Start in the bottom right corner of the chart if right-handed, and bottom left corner of the chart if left-handed.

Instructions:

Chain 30

Row 1: single crochet in 2nd from hook, and across. (29 sts)

Row 2-31: ch 1, follow chart doing a sc for the white squares, and a bobble for the colored squares. (29 sts)

Row 32: ch 1, sc across. (29 sts)
