+ PATTERN

Note: Garment is worked in 2 panels side to side that are seamed together at the shoulders to create the final poncho. The roll neck is worked in the row, side to side, and seamed to the neckline. It is imperative to check gauge and maintain an even tension throughout to ensure pieces fit together. This is an easy level crochet pattern and the techniques involved are single crochet, decreasing stitches, and basic embroidery skills.

+ ASSEMBLY

Follow “Assembly Diagram” below. Block the finished front/back panels of the poncho to correct height/width.

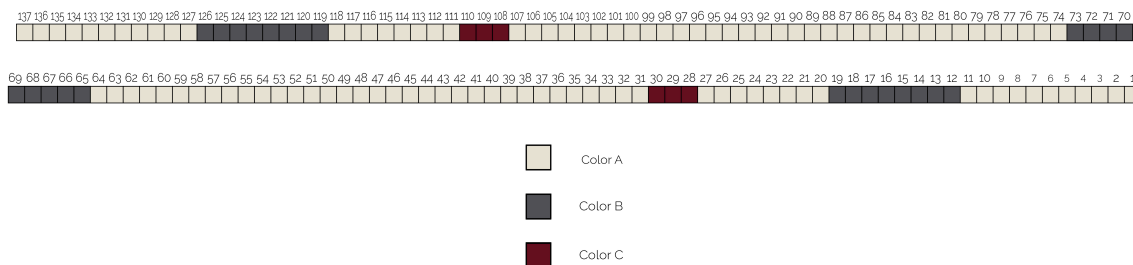

Place the “Front of Poncho” on top of the “Back of Poncho”, flip the layout inside out, and join the two panels together by seaming the shoulders of the two panels – working along the ends of Row 1-52 and then Row 86-137 (the side where the neckline decreases were made). The remaining opening is the neckline. Fasten off, and weave in loose ends.

+ TARTAN DESIGN

Note: Cut lengths of yarn approx 78"/198cm long, thread 2 strands of yarn onto a tapestry needle, and use the chart below as a design guide. Strands will alternate 'under' and 'over' sc's to create woven appearance. When working through rows where panels are seamed at the shoulders, continue the embroidery detailing across both the front/back of the poncho. When working through rows where the opening of the neckline is, continue using the design guide, but working across only one panel at a time.

Tartan Design Guide

Row 1: Using "A" yarn, *weave one vertical line over one sc. Weave one vertical line under one sc. Repeat from the * across the entire row, leaving approx 7"/18cm at each end for tassels. Use the weaving chart below as a guide.

+ TASSELS

To create tassels, divide the 78"/198cm lengths from the tartan design into groups of 8 strands (except for one group, which will have 10 strands) evenly along the edge of the poncho, and knot to secure. Trim tassels to desired length.

+ ROLL NECK

Note: For the roll neck, you will be working only into the back loops of the sts (and not through both loops) from the previous row, from row 2 and onwards.

Ch36 using A yarn and 6mm hook.

Row 1: 1 sc in 2nd ch from hook. 1 sc in next 34 sts. Turn your work. (35 sts)

Row 2 – 90: Ch1, 1 blsc in same st. 1 blsc in next 34 sts. Turn your work. (35 sts)
Fasten off, and weave in loose ends.

Sl st together the last row and the foundation chain to form a roll neck. Seam to neckline, lining up the seamline of the roll neck to the centre of the back of the neckline.
