Easy to do these works in crochet with graphics becomes very quiet and always is good is always up to know the models that always leave in the moda of this beautiful world of crochet. Girls see more here for the pictures as it was this beautiful work done in those points where I always admire much who invented it. This crochet blanket looks beautiful. And might be a carpet too. It would look very lovely and stylish a rug in this model here. I really enjoyed this work in crochet and let's see the stitches in the crochet below.

Crochet Patterns Foundation chain: Crochet foundation chain: you need to chain multiples of 17 PLUS to another 16. Your work will not be as wide as your chain, as it is necessary to allow the zigzag. The zigzag will make your work about 1/4 narrower than your chain, so allow it!
